Prophetess Renee Jacob is truly a woman with a servant's heart, who is gifted and called by God to declare, decree, proclaim, and announce the will of God in the realm of the spirit and within the earth. She intercedes for individuals, families, leadership, ministries, cities, and nations with great power and authority that ignites breakthrough. She has eyes to discern the works of the enemy, and the knowledge to pull down the strongholds that try to hold our families, communities, cities, and nations in bondage and paralyze them from advancing in Kingdom purpose.

Dimensionally, Prophetess Renee accurately discerns in the Spirit realm enabling success in reaching an intended target. Dr. Margie has been a pastor for over 17 years and God has released a spirit of excellence

Dr. Margie also matriculated Olivet Nazarene University, Governors State University, and Worldwide Ministry International (W.W.M.I) Bible Institute and Seminary obtaining a Bachelor's Degree in Business Administration, a Master's Degree in Criminal Justice, a Peace Circle Facilitator Certification and a Doctorate of Divinity.

God has also blessed Dr. Margie with the gifts of entrepreneurship, hospitality, writing, and speaking. In 2005, Dr. Margie started a Catering Service called Royal Palace Services, that provided meals to the local community. She is passionate about raising the consciousness of those in leadership and the community

specializing in restorative practices; providing hospitality is one of those ways and reaching beyond the pulpit. That process includes her partnering with those that engage in medical missions, food relief, and resourceful employment training. As a Peace Circle Facilitator, Dr. Margie focuses on three Restorative Justice areas: Restoration of the family, Conquering Giants for children, and lastly, Leadership. The Peace Circle Program is used as a tool for reconciliation with others. The program cultivates a climate of mutual respect and caring that is value-oriented, heart-based, and engages the emotions as well as the mind. The Peace Circle program is inclusive in content, designed to allow space for all dimensions of human life, including the spiritual values and traditions of the participants.

## Dr. Margie Roberts

In 2008 Dr. Margie along with her husband, Dr. Aaron Roberts founded Kingdom Build International Ministries (K.B.I.M), where they are the senior Pastors; their motto is "Reaching the Lost at Any Cost". Kingdom Builders International Ministries is governed by biblical principles operating in the spirit of serving and excellence. Drs. Margie and Aaron are dedicated to teaching and leading people to the Lord, by the preaching of the Gospel of Jesus Christ. They are committed to praying, edifying, and building up the Kingdom of God. As part of this process, they offer K.B.I.M Development outreach services to other churches, they teach associate pastors, train and reproduce ministers of God to embrace the fivefold ministry and the relevance of the new and the old testament.

In 2010, Dr. Margie started the Kingdom Makers Ministries organization as another form of outreach. It began as just a conference that honored and recognized women leaders in the Body of Christ and community for Mother's Day. However, it grew into a ministry that mentors and empowers women to live a life of purpose and accountability. It was during the conference where Dr. Margie and other female speakers would inspire women to rise and walk in their Kingdom mandate. The organization has had three conferences: One Night with the King,

7 Keys to Becoming a Kingdom Maker and Walking in Kingdom Abundance. Kingdom Makers Ministry continues to accomplish this mission through events, workshops, conferences, books and other inspirational products. Today Dr. Margie Roberts continues to preach of the Gospel of Jesus Christ, offer K.B.I.M Development outreach services to other churches, manage Kingdom Makers Ministries, write and grow her hospitality business as a Kingdom entrepreneur.
